

LARGE GROUP LICENSING

If you are working for, or with, the Department of Education, a school district, an organization or defined user group (ie: church groups, Boy Scouts, Girl Scouts, etc.) and need to reduce a large group, in a 2 step process, we offer bulk discounts on large group licenses. These are authorized RGMC local and regional competitions, and winning teams in the final group are eligible to compete in Finals.

LARGE GROUP LICENSING OVERVIEW

1. Defined groups may purchase a large group team license which can include 1, 2 or 3 Divisions.
2. For large local/regional competitions that have at least 25 teams, a Large Group License will be more economical than individual team registration, which is \$395/team.
3. Large Group License fees are non-refundable and no credits will be given.

LARGE GROUP LICENSE RGMC

1. Groups will run their own competition using the official RGMC rules.
 - a. step 1: a local contest to narrow down the field
 - b. step 2: those winners will proceed to the regional contest.
2. The only fee to RGI is the Large Group Licensing fee. The group will be allowed to collect and keep additional fees if they choose.
3. RGMC will provide the current Rule Book & Host Manual.
4. Each registered Team will receive a Welcome Package.
5. The Host will receive a Host Gift.

All gifts for Teams and the Host will be mailed to the Host to distribute. International Hosts will be charged for shipping and handling.

DIRECTIONS FOR DEFINED GROUPS:

1. register as a Host on www.rubegoldberg.com
2. have each team register on www.rubegoldberg.com
3. have each team fill out a Team Page as perscribed in the Rule Book
4. purchase official trophies from Rube Goldberg for the regional contest
